47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a home owner in San Francisco who supports broadband competition. I can tell you from personal experience that having competition produces superior products for the consumer.

I use and need broadband for daily life. It is critical to my home and safety. Fiber is so much better than DSL. I hope that you will listen to my voice and preserve competition.
